Please check the box next to the membership type that best describes your organization:

Revenue Based Memberships

Approved - Unaccredited Institutions

Your school is approved to operate by the Department of Consumer Affairs and you are not accredited by any US DOE recognized accrediting commission. The dues calculations chart is located on Page 2 of this application. All revenue based memberships may pay quarterly or may receive a 5% discount for paying your dues in full.

All Accredited Institutions

Your school is accredited by any accrediting commission recognized by the US Department of Education. Your school is licensed by accreditation or is exempt under California law. The dues calculations chart is located on Page 2 of this application. All revenue based memberships may pay quarterly or may receive a 5% discount for paying your dues in full.

Accrediting Agency:

ABHES ACCET ACICS ACCSC
COE DETC NACCAS WASC

Other: _____

Flat Rate Memberships (cost per calendar year)

Exempt Institutions \$475

Companies offering educational programs under \$2,500. (Former registered institutions would qualify if programs remain under \$2,500.)

Religious Exempt \$675

Your school offers religious programs and had a religious exemption from the BPPVE.

Unapproved Applicant \$800

Your school opened after July 1, 2007 and is not yet approved to operate by the BPPE. To remain eligible for CAPPS membership, unapproved applicant schools must become approved under the guidelines provided by BPPE.
