

We invite you to join us in 2012 as Allied Members.

Enjoy exclusive access to Exhibit space at our Conferences and be recognized as a trusted source for the goods and services our Institutions are seeking.

We thank the many companies and firms that joined CAPPS as 2011 Allied Members. Without your support and knowledge, our Association and sector would not be as successful as it is.

Dear Allied Member and Prospective Allied Member,

2011 was a record breaking year in many ways: record numbers of attendees at both our Legislative Policy and Annual Conferences, increased professional development on-ground and online attendees, and the largest number of CAPPS web inquires about Allied Members that we have received in a number of years.

Given where our sector Institutions find themselves these days, your assistance will be needed even more in 2012.

We consider our Allied Members a vital part of CAPPS and ask that you consider joining the Association as an Annual Member in 2012 (**Allied Member Application is now available on the CAPPS website.**)

Due to the limited number of Exhibitor booths that will be available at our Conferences in 2012 we will be limiting Exhibitor Registrations to CAPPS Allied members only, until one week prior to the Conference. If any booths remain unsold we will open them to non-members. In recent years, all of our Conference Exhibit space has sold out, and the likelihood of non-allied members obtaining Exhibit space is small.

We also seek to partner with our Allied Members in our webinars and of course work exclusively off our Allied Member list when making referrals (which is why your company description is so important). We may also limit any advertising (web and email blasts) to Allied Members only in 2012.

We hope you will consider joining us in 2012 as an Allied Member.

Thank You,

Robert Johnson
